**And always look on the bright side of life,
 always look on the light side of life**

For life is quite absurd and death's the final word,
 you must always face the curtain with a bow.
 Forget about your sin, give the audience a grin,
 enjoy it, it's your last chance anyhow!

So always look on the bright side of death,
 just before you draw your terminal breath.
 Life's a piece of shit, when you look at it,
 life's a laugh and death's a joke, it's true.
 You'll see it's all a show, keep 'em laughin' as you go,
 just remember that the last laugh is on you.

And always look on the bright side of life,
 always look on the right side of life.
